Stripes's Birthday

It was a beautiful November day in Webkinz World. The Webkinz were preparing for someone's birthday party. That someone happens to be Lulu's boyfriend Stripes. "Is it true that Dad's birthday is today?" asked Oreo to his mother.

>"It sure is, sweetie. And he'll be home any minute. So, would you mind helping me out here?" said Lulu.
"Hey, guys. Here he comes!" said Hugo.

>"Alright, everyone, you know the drill. Hide." said Jessica. Everyone hid behind some furniture. Stripes came in the house. He saw that the lights were off. So he turned them on.
"Surprise!" said everyone in unison.

>"You guys remembered it was my birthday. I love you guys." said Stripes.
"We love you, too." said Ying-Yang.

>"Now, come on. Let's have some birthday cake to celebrate." said Tabby.<p>
